

KIDSCENTS® SHAMPOO

Product Size: 7.24 fl oz

Item No. 27228

Lather up! Bathtime is meant for soap, bubbles, and scrubby fun—not for harsh chemical ingredients that can dry hair and leave skin feeling tender. This newly formulated, hypoallergenic shampoo is enriched with nourishing botanicals for a clean that is gentle on sensitive skin. Young Living's KidScents®

Shampoo is the best way to naturally clean your children's hair while they do the important bathtime work of splishing and splashing.

KEY INGREDIENTS

- Hydrolyzed jojoba esters: Plant-based hair-conditioning agent
- Cetyl betaine: Plant-based foam booster
- Decyl glucoside and lauryl glucoside: Natural coconut-based surfactants

BENEFITS AND FEATURES

- Formulated with nourishing botanicals to leave hair feeling soft, smooth, and fresh
- Gentle for little scalps
- Plant-based formula washes away grease and dirt while keeping hair soft
- Formulated without parabens, phthalates, mineral oils, synthetic perfumes, synthetic dyes, artificial colors, flavors, preservatives, or harsh chemicals
- Hypoallergenic
- Non-irritating

DIRECTIONS

Apply a small amount of KidScents Shampoo to hair. Lather, then rinse.

CAUTIONS

Keep out of reach of children. For external use only. Avoid contact with eyes and severely damaged skin. Keep in a cool, dark place.

PRODUCT BACKGROUND

Young Living formulated our new KidScents Shampoo with ingredients that can take on the messiest mop of hair without utilizing harsh chemicals. Strengthened with botanicals and plant extracts, this non-irritating shampoo helps your little one's hair feel smooth and hydrated without over-drying tender skin. Plant-based hair-conditioning ingredients combine with naturally derived coconut-based cleaning agents to wash away the day's grease and dirt. This shampoo is the safest way to scrub little noggins clean without the headache of searching for pure and clean bathtime products!
