

PRODUCT SUMMARY

Gesundheit! When sniffles and stuffiness affect your little one, reach for this relaxing, quieting blend. Formulated for children ages 2 and up, KidScents® SniffleEase can be diffused or applied directly to chests or throats. The aroma promotes feelings of health and wellness while also assisting in releasing feelings of discomfort. The natural, relaxing, soothing vapors help promote wellness when inhaled and inspire calm breathing.

KEY INGREDIENTS

Eucalyptus Blue, Palo Santo, Lavender, Ravintsara, and Dorado Azul essential oils and R.C.™ essential oil blend

EXPERIENCE

A gentle blend of Eucalyptus, Palo Santo, and R.C., SniffleEase supports the feeling of normal, clear breathing during times of discomfort.

PRODUCT BACKGROUND

SniffleEase contains several cooling, richly aromatic essential oils, including our R.C. blend, with an aroma that promotes restful sleep while providing a refreshing respiratory experience, especially when applied to the chest. Calming Eucalyptus combines with the fresh, clean properties of Dorado Azul and Lavender. Equally useful when diffused or applied topically with massage, SniffleEase is a comforting hug in a bottle for little ones!

Aromatic

Topical

BENEFITS & FEATURES

- Aroma promotes feelings of health and wellness
- Naturally soothes when inhaled
- Aroma helps release feelings of discomfort
- Helps inspire calm breathing
- Formulated without synthetic perfumes, dyes, or artificial colors
- Pre-diluted for delicate skin

SUGGESTED USE

- Apply directly to chest or throat and gently massage to promote a soothing experience.
- Use aromatically to allow children to breathe in soothing vapors.
- Diffuse before sleep for a soothing atmosphere that promotes feelings of wellness.

DIRECTIONS

Recommended application is for children ages 2-12.

Topical: Apply 2-4 drops directly to desired area. Dilution not required, except for the most sensitive of skin. Use as needed.

Aromatic: Diffuse up to 1 hour 3 times daily.

CAUTIONS

To be applied only by a trusted adult or under adult supervision. Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use. Keep in a cool, dark place.

†100% pure, therapeutic-grade essential oil

FREQUENTLY ASKED QUESTIONS

Q. Should I dilute SniffleEase prior to topical use?

A. All of our KidScents essential oil blends were formulated with children's extra-sensitive skin in mind. Dilution is not necessary, except for only the most sensitive skin.

Q. With so many oils in the SniffleEase formula, is the scent overbearing?

A. As SniffleEase is pre-diluted, each of the blended oils are gentle on both your skin and your nose!

Q. Can SniffleEase essential oil blend be ingested?

A. SniffleEase is labeled for topical and aromatic use and is not intended for internal consumption. Be sure to always follow the individual label instructions for Young Living products.
