

KidScents

TOOTHPASTE

4 oz. Item No. 4574

Brushing is a joy with KidScents® Toothpaste exclusively from Young Living! With the safest ingredients and a refreshing citrus-mint taste, KidScents Toothpaste is formulated with your family in mind! We infused this plant-based toothpaste with pure essential oils backed by our Seed to Seal® quality commitment and left out all the harsh additives you find in other children's toothpastes. Both parents and kids can smile knowing KidScents Toothpaste's gentle cleaning ingredients help fight plaque, clean children's teeth, and remove buildup to support healthy-looking gums—all while remaining fluoride and SLS free!

KEY INGREDIENTS

- **Baking soda (sodium bicarbonate):** Gently cleanses and polishes while helping combat bad breath
- **Calcium carbonate:** A natural ingredient that provides a mild polishing for a gentle clean
- **Grapefruit and Spearmint essential oils:** Pure essential oils backed by our Seed to Seal quality commitment for a sweet, minty taste and fresh breath
- **Organic coconut oil:** Helps boost cleaning action for optimal cleaning
- **Xylitol and stevia:** Natural sweeteners

BENEFITS AND FEATURES

- Gently cleans teeth with naturally derived ingredients created for children
- Delights mouths with its kid-friendly citrus-mint flavor
- Freshens breath with its gentle, odor-absorbing baking soda
- Fights plaque with brushing
- Removes surface stains gently
- Provides a long-lasting clean and fresh feel
- Formulated without fluoride, SLS, synthetic dyes, peroxide, artificial colors, flavors, preservatives, gluten-containing ingredients, or GMOs
- Vegan friendly and cruelty free

KidScents

TOOTHPASTE

PRODUCT BACKGROUND

Parents have enough on their plates without having to worry about what's in the products they give to their children. KidScents Toothpaste is created specifically for children, with a naturally derived formula free of fluoride, artificial flavors, and preservatives. When it comes to cleaning and flavor, KidScents Toothpaste is a parent's best friend, using only the most natural of ingredients such as baking soda, organic coconut oil, and Spearmint essential oil! The family-run Labbeemint Distillery in Washington produces world-class mint oils, including Spearmint essential oil, which gives KidScents Toothpaste its sweet minty taste. When used as part of a regular brushing routine, the ingredients in KidScents Toothpaste not only gently clean teeth and fight plaque—they also remove stains for a brighter, more radiant smile!

DIRECTIONS

Use daily to help young smiles stay vibrant. Put a small amount of toothpaste on a brush, help child brush teeth, and rinse thoroughly after each meal or as directed by a dentist or doctor. Supervise children until good brushing and rinsing habits are established. Do not swallow. Intended for children 2 years and older. For children under 2 years, consult a dentist or doctor before use.

CAUTIONS

Keep out of reach of children. For external use only. Avoid contact with eyes.
