

Product Summary

LBriante' offers two products in one convenient package: an essential oil roll-on that effortlessly glides over neck, wrists, and temples and a perfect shade of lip gloss with applicator. LBriante' offers three separate aroma/gloss combinations:

- Amorescence Essential Oil Scent and Red Lip Gloss
- Winter Essential Oil Scent and Neutral Lip Gloss
- Summer Essential Oil Scent and Pink Lip Gloss

The interchangeable packaging makes it easy to exchange a lip gloss for lip gloss or a roll-on for roll-on. When you own all three, there are a total of nine different combinations to choose from. LBriante' makes matching your mood or special occasion as easy as one, two, three.
