

## LAVAMINT™ SOFTENING FOOT SCRUB

## PRODUCT SUMMARY

Live luxuriously with LavaMint Softening Foot Scrub. This Lavender-infused exfoliant rubs away rough, callused skin on your feet and opens pores so you can apply essential oils to reveal soft, silky, healthy-looking skin. This spaworthy foot scrub unites the smoothing power of four natural exfoliants—volcanic sand, pumice, diatomaceous earth, and coconut shell—with the cooling, soothing scents of Lavender and Peppermint to keep your feet smooth and sandal-ready!

## KEY INGREDIENTS

Volcanic sand, Pumice, Diatomaceous earth, Coconut shell powder

#### EXPERIENCE

After unwinding in the tub with a bath bomb, continue your DIY spa night with Young Living's LavaMint Softening Foot Scrub. Its water-activated formula uses your body's warmth to transform the cool gel into a milky lotion, leaving your feet silky and smooth!

#### PRODUCT BACKGROUND

LavaMint's name is inspired by the Lavender and Peppermint essential oils it's infused with and by the volcanic exfoliants it contains. The two oils work harmoniously to refresh and revive tried feet, while the pumice and black volcanic sand sourced from Iceland exfoliate the rough edges on your heels and soles.

LavaMint Softening Foot Scrub contains rich emollient and moisturizing properties, as well as glycerin and squalene, to nourish and hydrate your skin even during the dry months.

### BENEFITS & FEATURES

- Opens pores before applying essential oils to the bottoms of feet
- Contains four refining exfoliators—volcanic sand, pumice, diatomaceous earth, and coconut shell—to polish skin around toes, heels, and soles for all-over smoothness
- Made without parabens, petrochemicals, synthetic colors, synthetic fragrances, or animal-derived ingredients
- Made with naturally derived ingredients
- Vegan and environmentally friendly

# LAVAMINT™ SOFTENING FOOT SCRUB

### DIRECTIONS

Massage into dry feet, including toes, soles, and heels; then apply a small amount of warm water to transform the gel base into a milky lotion. Continue scrubbing over wet feet. Clean with a damp towel or rinse with water.

## CAUTIONS

Keep out of reach of children. For external use only.

#### STORAGE

Keep in a cool, dark place.

#### INGREDIENTS

Caprylic/capric triglyceride, Glycerin, Squalane, Water, Polyglyceryl-10 laurate, Diatomaceous earth, Cocos nucifera (Coconut) shell powder, Leuconostoc/radish root ferment filtrate, Volcanic sand, Pumice, Mentha piperita† (Peppermint) oil, Lavandula angustifolia† (Lavender) oil, Mentha spicata† (Spearmint) leaf extract

† 100% pure, therapeutic-grade essential oil

## FREQUENTLY ASKED QUESTIONS

## Q. Which of the product's ingredients exfoliate?

A. Volcanic sand, pumice, diatomaceous earth, and coconut shell work together to exfoliate skin.

## Q. How often can this product be used?

A. LavaMint Softening Foot Scrub can be used once or twice a week.

## Q. What color is the scrub?

A. The scrub is a brown color due to the naturally derived exfoliating ingredients.
