KEY INGREDIENTS

Mango butter: Obtained from the deshelled fruit kernels of mango trees from India, mango butter prevents skin from drying and helps it look youthful.

Watermelon seed oil: This oil from India absorbs quickly and is a good skin moisturizer that penetrates the skin to protect against the appearance of premature aging, including lines and wrinkles.

Apple extract: A highly moisturizing saccharide complex extracted from dried apples that can increase skin hydration up to 88 percent in 30 minutes, apple extract immediately improves the feel and appearance of skin by reducing dryness and increasing skin hydration.

Young Living Signature Scent Lushious Lemon:

Lushious Lemon essential oil blend helps neutralize unwanted odors and fills your space with cheer with the bright, citrus notes of Lemon Myrtle and Lemon; the fresh, floral scent of Ylang Ylang; and the cool, inviting aroma of Spearmint and Eucalyptus Globulus.
