

## PRODUCT SUMMARY

Young Living's Mineral Sunscreen Lotion SPF 50 expands our over-the-counter line with a new option for sun protection! This natural sunscreen is free from harsh chemicals, making it a healthy alternative for adults and kids. The hot summer sun is great, but don't get cooked! Use this sunscreen for added protection from UVA and UVB rays. Enjoy the outdoors worry free with up to 80 minutes of protection with water and sweat resistance. This might just be the best sunscreen you've ever used! Recommended as an effective broad spectrum sunscreen.

## KEY INGREDIENTS

Non-nano zinc oxide, Buriti fruit oil, Raspberry seed oil, Ucuuba nut butter, Helichrysum essential oil, Carrot Seed essential oil, and Frankincense essential oil

## EXPERIENCE

This non-greasy sunscreen smooths easily onto skin and won't leave behind white residue. Instead, it has a lightweight matte finish that leaves skin feeling soft and smooth.

## PRODUCT BACKGROUND

Infused with 100 percent pure essential oils and other naturally derived plant- and mineral-based ingredients, our Mineral Sunscreen Lotion is different from other sunscreens on the market. We formulated this unique lotion with non-nano zinc oxide to block UVA and UVB rays and help prevent sunburn. Recommended as an effective broad-spectrum sunscreen.

## BENEFITS & FEATURES

- Reef safe
- Dermatologist tested
- High sun protection
- Recommended as an effective broad-spectrum sunscreen
- Non-greasy, fast-absorbing formula
- If used as directed with other sun protection measures, decreases the risk of skin aging caused by the sun

<sup>†</sup>100% pure, therapeutic-grade essential oil

## FREQUENTLY ASKED QUESTIONS

**Q. Is Young Living's Mineral Sunscreen Lotion SPF 50 waterproof?**

A. Yes! Our Mineral Sunscreen is waterproof for up to 80 minutes.

**Q. Can this be used on those with sensitive skin?**

A. Yes! Mineral Sunscreen SPF 50 is suitable for all skin types and can be used on children over 6 months of age.

**Q. Is the zinc oxide in your formula non-harmful?**

A. Zinc oxide is a naturally derived ingredient that offers sun protection without using hormone-disrupting chemicals found in most commercial sunscreens. Also, we use a non-nano zinc oxide in our formula. This acts as a physical barrier to protect the skin against the sun's harmful rays.
