

Out of Stock Report 1/18/2019

Young Living's more than 20-year history is built on a deep dedication to offering superior essential oils through our proprietary Seed to Seal® program—our commitment to provide pristine final products that have been created with conscientious Sourcing, Science, and Standards. This focus on quality means that our products are subject to the cycles of nature, including limited or seasonal availability, as well as the rigorous criteria set forth in our Seed to Seal program. We're grateful that our members share our values, and we're proud to offer you essential oils that are pure and potent without compromising the standards that ensure unmatched authenticity.

Reason	Explanation
