

Out of Stock Report 6/23/2017

Young Living's 20-year history is built on a deep commitment to offering superior essential oils through our proprietary Seed to Seal® process—a sustainable partnership with the earth. This process means that our products are subject to the cycles of nature, including limited or seasonal availability. We're grateful that our members share our values, and we're proud to offer you essential oils that are pure and potent, without compromising on the processes that ensure unmatched authenticity.

Reason	Explanation
Seasonal	Thanks for your patience. This product is only harvested and available certain times of the year.
Oversold Projections	Thanks for the love! We're revising our projections and producing more to keep up with its popularity.
Supply Constraints	We've had a delay. Raw material arrived late, delayed by vendor, or damaged in shipping.
Reformulation	Be back soon! Making some changes to formula or updating packaging.
