

### Product Summary

The new Lavender or Peppermint Essential Peel™ are individually packaged, single-use cotton swatches saturated with pre-diluted essential oil. Containing 0.5 ml of total oil, this product is exclusive to Young Living and includes patents-pending packaging technology. The Essential Peel is ideal for use in professional settings, on-the-go, or for sharing and sampling essential oils. These packets are a quick, clean way to apply oils without waste; simply peel open the packet and inhale or apply topically as desired. Available only at Young Living's 2015 International Grand Convention while supplies last.

### Ingredients

**Lavender Essential Peel:** Caprylic/capric triglyceride, Lavandula angustifolia† (Lavender) oil

**Peppermint Essential Peel:** Caprylic/capric triglyceride, Mentha piperita† (Peppermint) leaf oil †100% pure, therapeutic-grade essential oil

### Primary Benefits

- The individually packaged, one-time-use cotton swatches are saturated with pre-diluted essential oil and easy to use.
- Ideal for professional settings or on-the-go usage.
- The versatility of Lavender essential oil has many benefits that can be incorporated into a daily routine.
- Peppermint oil has an energizing menthol aroma.

### Suggested Use

- **Open:** Separate the top flaps and gently peel them apart.
- **Topical:** Apply directly to desired area as needed.
- **Aromatic:** Inhale as desired.

### Caution

- Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.
