

Product Summary

Most of us have experienced the amazing power of essential oils without even realizing it. These concentrated, natural, aromatic liquids are extracted from shrubs, flowers, trees, roots, bushes, and seeds. Plants depend on essential oils to grow, evolve, and adapt to their surroundings. Pure, unadulterated essential oils have many potential benefits and are used daily to enhance the lives of millions.

You can now transform yourself and your home with the power of the Everyday Oils collection. This collection is a great introduction to the many benefits of Young Living's 10 most popular essential oils. Every essential oil contains vital plant compounds, many of which have been studied for their positive effects. These compounds offer the greatest potential benefit in their natural, unadulterated state and offer a simple way to live healthier and begin eliminating harmful chemicals from your home. Whether you use them to clean, cook, relax, or purify, essential oils offer healthier choices many people do not even know exist.

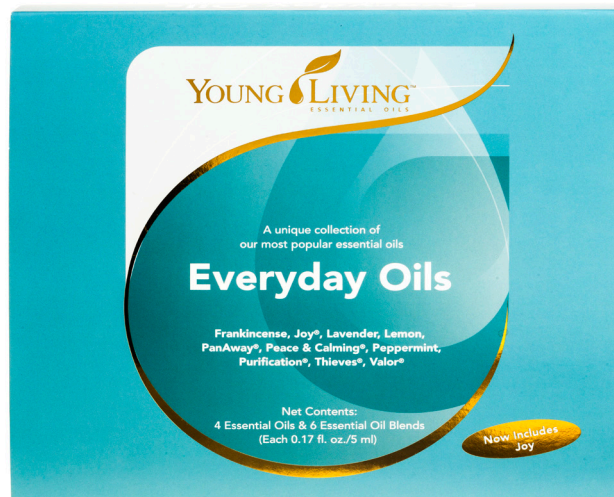

At the heart of our quality promise is Seed to Seal®, a proprietary process that focuses on five requirements for producing therapeutic essential oils that include Frankincense, Lavender, Lemon, Peppermint, Joy™, PanAway®, Peace & Calming®, Purification®, Thieves®, and Valor®.

Primary Benefits

- Discover the health-supporting power of essential oils for yourself and your family
- Replace harmful chemicals in the home with safe, effective alternatives
- Enjoy a perfect introduction to Young Living and pure essential oils

Who Should Use This Product?

- Anyone looking to enjoy the benefits of all-natural essential oils*
- Anyone using essential oils as health-support alternative.*

- People looking to remove harsh or harmful chemicals from the home with safe alternatives*

Suggested Use

- Follow the directions on each individual 5-ml and 15-ml bottle label.

Cautions

- Keep out of reach of children.
- If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.
- Follow the caution guidelines on each individual label.

Did You Know?

- Young Living's Frankincense essential oil is sourced from Somalia and is steam distilled with no solvents used during the process. This purity adds to its effectiveness in moisturizing the skin and reducing blemishes.
- Young Living's Lemon oil is sourced from the United States and Italy. It is cold pressed from the rind of the fruit, and it takes approximately 50–100 lemons to make one bottle of oil.

- For more than 20 years, Young Living has set the standard for determining essential oil purity and potency and has included the 10 oils that can be used on a daily basis into one convenient collection.

Complementary Products

- Aria™ Ultrasonic Diffuser
- Home Diffuser
- Aroma Carousel™
- NingXia Red®
- Vitassage™ Oil-Dispensing Massager
