Freedom SleepTM Collection

The word “freedom” means different things to different people, such as freedom to follow one’s dream, freedom to make one’s own decisions, spiritual freedom, and freedom from life’s traumatic experiences. When any of these areas are out of balance, frustration, anger, and a host of other problems can affect any individual.

The Freedom Sleep Collection of essential oils was created to help re-establish a positive energy flow throughout the body, helping relax and calm one’s thoughts and feelings prior to bedtime. With improved relaxation, the body and mind are rejuvenated, bolstering one’s ability to overcome life’s challenges and reach one’s highest potential.

Primary Benefits

- Encourages relaxation for a more restful night’s sleep
- Generates positive energy flow throughout the body
- Helps relax and calm thoughts and feelings

Who Should Use This Product?

- Anyone suffering from negative life experiences
- People wanting the rejuvenating benefits of going to bed more relaxed

Suggested Use

- Follow the directions on each individual product.

Cautions

- Keep out of reach of children.
