

Item No. 4747

MindWise™

MindWise combines exotic sacha inchi (*Plukenetia volubilis* L.) nut oil with proprietary MindWise oil and Memory blends for a unique, powerful brain function-supporting serum. Native to the Amazon rainforest, sacha inchi nuts have a desirable nutritional profile that includes protein, linoleic acid, and α-Linolenic acid. Their high proportion of unsaturated fatty acids and unmatched percentage of omega-3 fatty acids make them a popular vegetarian option. Medium chain triglycerides (MCT) and pure essential oils complete the MindWise oil blend.

The proprietary memory blend features ALCAR, GPC, and bio-identical CoQ10, ingredients that have been studied for their support of normal brain function.* With a unique, quick-absorption emulsion delivery system and generous amounts of vitamin D3, MindWise is a premium supplement that supports improved memory function and overall cognitive health.*

Complementary Products

- OmegaGize3™
- NingXia Nitro™
- NingXia Red®
- Life 5™
- Brain Power™ Essential Oil Blend
- Peppermint Essential Oil

Primary Benefits

- Supports normal brain health*
- Supports normal cardiovascular health*

Who Should Use This Product?

- Individuals looking to support mental function
- Individuals interested in protecting against diminished cognitive function

Suggested Use

- Shake well before use.
- Adults (12+): Take 1–2 tablespoons once daily or as needed.
- Children (4–12): Take 1–2 teaspoons once daily.

Cautions

- Contains tree nuts.
- Keep out of reach of children. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.
- Do not drink directly from the bottle.
- Refrigerate after opening.
- Not recommended for children under the age of four.

Did You Know?

- Sacha inchi, one of the oldest cultivated plants in Peru, is a great source of linoleic acid and offers one of the best saturated to unsaturated fat ratios of any plant.
- Coconut oil is composed predominately of medium chain triglycerides (MCT), which are shown to support brain health.*
- CoQ10 is found in every cell of the body and is necessary for the basic functioning of cells.
