Reconnect™ Collection

Reconnect with a new collection of essential oil blends created to help focus and uplift mood by encouraging positive energy in times of restlessness and unease.

The essential oil blends in the Reconnect Collection are designed to relax the mind and support a determination to stay on task. These blends also help ground and unite the body, mind, and spirit with reality. The oils can uplift mood and support a positive outlook that allows the mind to react positively and engage with one's surroundings. Using these oils can aid in relaxing and calming the body and mind to promote higher thoughts of self-worth.
