# Sheerlumé™

Illuminate your complexion with Sheerlumé Brightening Cream—an advanced formula powered by a proprietary blend of Young Living's pure essential oils. Combined with sophisticated, plant-based ingredients, Sheerlumé will visibly brighten and balance your skin tone. Use morning and night to unveil a radiant, flawless-looking complexion.

## Complementary Products

- A·R·T® Skincare System
- Orange Blossom Facial Wash
- Satin Facial Scrub Mint
- A·R·T Beauty Masque
- A·R·T Creme Masque
- A·R·T Renewal Serum
- Sandalwood Moisturizing Cream
- Wolfberry Eye Cream
- Boswellia Wrinkle Cream

## Primary Benefits

- Promotes a glowing complexion
- Daily use can brighten and balance uneven skin tone
- Protects the skin from external stressors
- Light texture allows easy absorption

## Who Should Use Sheerlumé?

- Anyone who desires a luminous, even complexion and appreciates safe, natural ingredients

## Suggested Use

Apply a thin layer of Sheerlumé on clean skin—face, neck, or hands. For best results use morning and night either alone or under your favorite Young Living moisturizing cream.

## Cautions

- For external use only. Avoid contact with eyes.

## Did You Know?

- Skin-brightening products are one of the most rapidly developing segments of the total skin-care industry. (Euromonitor)
- Worldwide, the skin-brightening product forecast will exceed USD \$19.79 billion by 2018. (Euromonitor)
- When searched on Google, skin-brightening products generate 8,190,000 results per year.
