Product Summary

The Gift is a blend of seven ancient oils that have been sought after for centuries for their calming and health-supporting properties. This blend was created to celebrate the noble journey of Shutran, a fictional character in The One Gift, a book by D. Gary Young. Serving as Gary’s personal embodiment, Shutran takes a unique journey through the caravan trails of Arabia.

Product Story

Gary’s wife, Mary, presented him with this special oil as a way to commemorate Gary’s travels, research, and discoveries. When writing the book, Gary insisted on complete historical accuracy; in fact, he actually drove or walked every step of the Frankincense Trail from Yemen to Israel. The Gift honors Shutran, as he makes the trip that Gary himself experienced.

Because The Gift oil blend was carefully formulated to capture the essence of Arabia, you may use it in conjunction with your reading of the book to gain insight about the role essential oils have played throughout Arabian history, as well as their unique spiritual and healthful properties.

The therapeutic oils in this blend were carefully selected because of their special health-promoting benefits. Incorporate The Gift into your daily routine to gain a general sense of well-being, calm your emotions, and enhance your self-confidence.

Primary Benefits

The Gift essential oil blend helps to improve spiritual connections and fosters feelings of centering and well-being. Its comforting properties help focus the mind to overcome stress and despair and to enhance self-confidence. Naturally occurring sesquiterpenes stimulate the limbic system of the brain—the center of memory and emotions—and the hypothalamus, pineal, and pituitary glands. Oils included in this blend have traditionally been used to reduce tension and rejuvenate both body and mind. This blend is also known to promote and support healthy skin.

Ingredients

- Sacred frankincense essential oil is distilled from the resin of the Boswellia sacra tree in Oman, and is widely regarded as the rarest of aromatics. Considered the frankincense of the ancients and the traditional spiritual oil of biblical times, sacred frankincense is ideal for use when a deeper spiritual connection is desired.

- Balsam fir opens emotional blocks and recharges vital energy. It is known to support a sense of strength and inner peace. As a conifer oil, it can promote grounding, anchoring, and empowering feelings.

- Jasmine is believed to stimulate the mind and improve concentration.

- Galbanum has been prized for its healing properties since biblical times.

- Myrrh was known anciently to purify and sanctify as recorded in the biblical Book of Esther and is referenced throughout the Old and New Testaments. Another example is when the Lord commanded Moses to use myrrh as part of a formula to create a holy anointing oil. Myrrh was also traditionally used in royal palaces to convey a sense of dignity and stateliness.

- Cistus is also known as rock rose. It is believed to calm nerves and support the immune system.

- Spikenard was used by Mary of Bethany to anoint the feet of Jesus. It is known to support immunity and hypothalamus function.
How To Use

Topical
Dilute one drop of The Gift with one drop of V-6™ Enhanced Vegetable Oil Complex or olive oil and apply to desired area as needed.

Aromatic
Diffuse up to 30 minutes, three times daily.

Caution
Keep out of reach of children. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health-care practitioner prior to use. Avoid contact with eyes.
