

SATIN FACIAL SCRUB™ - MINT

Product Size: 2 oz. (57 g)

Item No.: 20454

Polish and prep your skin with this naturally derived exfoliator! Made with apricot seed powder, our Satin Facial Scrub gently lifts and removes dry, dead skin cells to reveal bright and even-looking skin, while pure Peppermint essential oil leaves a minty scent and tingly, fresh feel. Use it to start the day or to take the day off; whenever you reach for it, you'll get a clean, smooth slate for the next step in your skin care regimen.

KEY INGREDIENTS

- Biodegradable apricot seed powder gently scrubs away skin-damaging environmental pollution and dead skin cells. These USA-sourced round grains are skin friendly and leave the surface of skin smoothed and renewed.
- Mango seed butter and raspberry extract provide vitamin C and antioxidants that nourish and moisturize.
- Peppermint essential oil sourced in the USA has skin-clarifying and pore-tightening properties and refreshes and invigorates skin.
- Sunflower seed oil from the USA is rich in vitamin E for antioxidant protection.

BENEFITS AND FEATURES

- This product is formulated with naturally derived sustainable and environmentally friendly apricot seed powder, which contains round grains that gently exfoliate for brighter, more glowing skin. These gentle grains are less aggressive than other exfoliants that can scratch and damage skin and are far more eco-friendly than scrubs containing plastic microbeads.
- It instantly improves the appearance of dull, tired-looking skin, leaving skin looking and feeling smoother and softer.
- The moisturizing ingredients ensure that the product won't strip skin of moisture.
- It is appropriate for all skin types.
- It is a 100 percent natural formula.
