SAVVY MINERALS® MAKEUP REMOVER WIPES

PRODUCT SUMMARY

The best way to remove Savvy Minerals naturally derived makeup is with naturally derived makeup wipes. Young Living developed Savvy Minerals Makeup Remover Wipes to gently and effectively remove makeup and leave your skin feeling soft, clean, and refreshed. Convenient packaging and a rinseless formula make these wipes handy for traveling or for throwing in your purse while on the go!

KEY INGREDIENTS

The formula in Savvy Minerals Makeup Remover Wipes contains cucumber and marsh mallow plant extract, as well as the essential oil blend found in Savvy Minerals Misty Spray and Hydrating Primer.

EXPERIENCE

These mess-free, biodegradable cloths are tough on makeup yet gentle on skin—and they don't require you to rinse after use! They're loaded with plant-based, skin-loving ingredients, including cucumber and aloe to gently and effectively remove makeup and soothe skin.

PRODUCT BACKGROUND

Our easy-to-use wipes use plant-based surfactants to gently remove impurities and makeup from the skin. Light emollients leave skin feeling clean, soft, and refreshed without a residue—no rinsing required! Hydrating ingredients like aloe prevent the stripping of moisture, while cucumber extract cools and soothes irritated skin. These wipes are ideal for all skin types.

SHADES OR KIT CONTENTS

Wipes come in a soft, black package with resealable lid. 30 count.

BENEFITS & FEATURES

- Works for all skin types
- Removes makeup from the eyes and face without stripping moisture
- Cools, soothes, and refreshes
- Nourishes, softens, and hydrates with no residue—rinsing not required
- Creates a more radiant, healthy-looking complexion

SAVVY MINERALS® MAKEUP REMOVER WIPES

DIRECTIONS

Wipe cloth gently on skin until all dirt and makeup is removed. Reseal package after each use to keep wipes fresh. Discard used wipes properly.

CAUTIONS

Keep out of reach of children. For external use only.

STORAGE:

Keep in a cool, dark place.
