SAVVY MINERALS® SILICONE BRUSH CLEANSING PAD

PRODUCT SUMMARY

The Savvy Minerals Silicone Brush Cleansing Pad helps clean makeup, oil, and impurities from your Savvy Minerals brushes. Pair this pad with our Savvy Minerals Solid Brush Cleaner and in a few easy steps, you'll have brushes free of impurities. Clean brushes mean your makeup and skin will look fresh and fabulous!

EXPERIENCE

You practice clean beauty—plant-based, natural, nontoxic skin care and makeup—but what about your brushes? Without proper care your makeup brushes can collect all kinds of things between the bristles. Free your brushes from days-old makeup and dead skin cells with Savvy Minerals Solid Brush Cleaner and Silicone Brush Cleansing Pad. A once-a-week deep cleaning will keep brush bristles soft and makeup application smooth.

PRODUCT BACKGROUND

Looking for a gentle way to clean your Savvy Minerals makeup brushes? Pair our Savvy Minerals Silicone Brush Cleansing Pad with our Solid Brush Cleaner to keep your makeup application and your skin looking fresh! Our Solid Brush Cleaner harnesses the potency of plant-based soaps, while our multitextured Silicone Brush Cleansing Pad provides extra cleansing power. Your brushes never looked—or felt—so good!

BENEFITS & FEATURES

- Helps gently and deeply clean makeup brushes
- Provides deeper cleansing due to its multitextured surface
- Works with Savvy Minerals Solid Brush Cleaner to help extend the life of your brushes

SAVVY MINERALS® SILICONE BRUSH CLEANSING PAD

DIRECTIONS

1. Wet your Savvy Minerals brush with the bristles pointing down. Make sure to wet only the bristles and not the handle.
2. Swirl the bristles into the Savvy Minerals Solid Brush Cleaner.
3. Place the Savvy Minerals Silicone Brush Cleansing Pad in the palm of your hand and swirl the bristles against the surface to create suds.
4. Rinse the brush, bristles pointing down, until the water runs clear. Repeat steps 2-4 if needed.
5. Reshape the brush and lay flat to dry.

CAUTIONS

Keep out of reach of children. For external use only.

STORAGE :

Wash after each use and let dry completely.
