PRODUCT BACKGROUND

Savvy Minerals by Young Living was created to help you feel confident without compromise. We believe in empowering women to stand out in their own unique, natural beauty, while using products that have quality, purity, and safety as the ultimate goal. Unlike most mineral powders, Savvy Minerals by Young Living products are made from finely ground mica and free from fillers like talc and bismuth. This kabuki brush is specially designed to complement these high-quality mineral powders, holding the perfect amount of product for a smooth finish and flawless final look.

DIRECTIONS

For best results, use with Savvy Minerals by Young Living powders. Dip brush into powder—such as foundation, bronzer, or veil—and lightly tap the brush handle to remove excess. Use brush to apply makeup as desired for a smooth and soft final look.

FREQUENTLY ASKED QUESTIONS

Q. What are the brush bristles made of?

A. The brush bristles are black synthetic fibers.

Q. Where is the brush manufactured?

A. It is manufactured in Italy.

Q. What is the handle made of?

A. The handle is made of shiny black aluminum and black-painted ABS plastic.

Q. Can I use this brush with Savvy Minerals by Young Living Misting Spray?

A. Yes.

Q. How do I clean my brush?

A. Wet the bristles under running water, angling them down. Avoid getting water on the handle of the brush, which can loosen the bristles over time. Gently massage a mild soap into the bristles, rinse, and repeat if needed. Squeeze excess water out and lay flat to dry.
