

PRODUCT SUMMARY

A bottle of lullabies

Dreamland is only a few drops away with Young Living Seedlings Calm essential oil blend. This soothing, gentle scent was formulated with the littlest members of your family in mind. With its soft, relaxing, floral notes, this special blend can help the whole family unwind together.

KEY INGREDIENTS

Lavender, Coriander, Bergamot, Ylang Ylang, and Geranium essential oils

EXPERIENCE

Lullaby and goodnight: The harmonious blend of Lavender, Coriander, Ylang Ylang, and Geranium puts calm front and center, which lets you and your little one relax at bedtime.

PRODUCT BACKGROUND

We know you make decisions every day about the health and happiness of your loved ones. We created our Seedlings line to make it easy for you to choose the right products for the youngest members of your family. The carefully selected essential oils in our Seedlings Calm blend create a warm and welcoming environment. Top notes of Lavender and Coriander gently balance floral hints of Ylang Ylang and Geranium. The sweet aroma from this unique blend of botanicals helps baby relax at bedtime.
