

Product Summary

Inspired by D. Gary Young's love of horses and named after his own horse, the Sundance Ultrasonic Diffuser features a wild stallion exhaling color-illuminated vapor while rearing skyward on a cliff top landscape.

The patents-pending Sundance Ultrasonic Diffuser is an atomizer, aroma diffuser, and night-light combined into a perfect all-in-one product. This innovative diffuser includes:

- A proprietary, interchangeable diffuser cover system compatible with additional diffuser covers (other covers sold separately).
- Continuous or intermittent (10 minutes on /10 minutes off) ultrasonic diffusion with automatic shutoff.
- Four soft white, under-panel LED lights with on/off settings.
- Six colored, illuminated vapor LED light settings (red, white, green, blue, alternating, and none; lights shine upward from the cliff base onto the horse).

Contents: Sundance diffuser cover, diffuser motor, AC power adaptor, operation manual

Dimensions: 26.8 x 24.1 x 26 cm

The multicompatible diffuser motor that is included with the Sundance diffuser can also be used with the Dino Land Diffuser Cover and Dolphin Reef Diffuser Cover (sold separately).

Why We Love It

- Ultrasonic technology found in the Sundance diffuser transforms essential oils into a vapor containing millions of microparticles, dispersing them into the air and releasing the powerful plant constituents found in Young Living essential oils.
- This attractive and unique diffuser transforms any space into an exciting, aroma-filled atmosphere.

Cautions

Warning: Potential choking hazard.

Keep out of reach of children. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use. For all other safety and care information, refer to the operation manual.

Fun Facts

- The Sundance Ultrasonic Diffuser is part of Young Living's exclusive, patents-pending interchangeable cover system that includes the Dino Land and Dolphin Reef Diffuser Covers.
- Diffusion disperses essential oils into the air without heating or burning, unlike aroma lamps or candles that reduce the benefits and can even emit toxic compounds.
