

SUPER CAL™ PLUS

*Super Cal™ Plus is a nutritional powerhouse that's formulated with calcium, magnesium, key vitamins, and trace minerals to help maintain and support bone health, integrity, and density.**

Super Cal Plus features a special essential oil blend—made with **IDAHO BLUE SPRUCE, BLACK SPRUCE, COPAIBA, VETIVER, and PEPPERMINT**—that was created specifically for this supplement.

Super Cal Plus *provides* **IMPORTANT BONE-HEALTH BUILDING BLOCKS**, including vitamin D3, vitamin K, calcium, and magnesium.

With a synergistic blend of bioavailable calcium, magnesium, and other marine trace minerals, Super Cal Plus helps maintain and **SUPPORT the STRUCTURE, INTEGRITY, and DENSITY of BONES.***

RED ALGAE

—a key ingredient in Super Cal Plus— is harvested from the ocean floor off the rocky coast of Iceland. This seaweed contains calcium, magnesium, and other trace minerals absorbed from ocean water.

WHY WE *love* IT

After extensive analysis and development, we formulated Super Cal Plus™ to be more than just a calcium supplement. This brand-new product uses premium ingredients specifically chosen with the latest bone-health research in mind to help you

**SUPPORT BONE STRUCTURE,
DENSITY, and INTEGRITY.***

We sourced marine minerals from red algae and then added a fermented polysaccharide complex, amino acids L-Lysine and L-Arginine, and a special blend of essential oils for added benefits, making Super Cal Plus a great way to maintain overall bone health and help you stay moving.*
