

SUPER VITAMIN D

120 tablets

Item No. 28972

Who doesn't need a super boost of sunshine? With our proprietary formula and delivery system, Young Living's plant-based Super Vitamin D is highly absorbable, vegan friendly, and completely synthetic free. Dissolvable in a delicious mixed berry-flavored tablet, Super Vitamin D is a super source of vitamin D that helps support bone growth and healthy muscle.

Vitamin D plays a key function in respiratory health, and through its innate and adaptive defense mechanisms, it supports the body's respiratory immune system.* This dissolvable tablet is made with lemon balm extract and vitamin D to support mood and hormone regulation.

KEY INGREDIENTS

- **Vitamin D** derived from lichen that is sustainably grown and harvested in the United States
- **Organic lemon balm extract** sustainably sourced from the fields of Spain
- **Lime peel oil** that is 100 percent pure and sourced from our Finca Victoria Partner Farm in Ciudad Victoria, Mexico
- **Melissa plant oil**, a sought-after oil from France that is distilled from the melissa plant
