

PRODUCT SUMMARY

Young Living's Sweet Aroma Ultrasonic Diffuser may be compact, but don't let that fool you; its fresh, modern design offers big features without taking up space. The wicker pattern and popular cloud blue color were carefully selected to accent your home decor. This charming and straightforward diffuser is the addition to your home or office you never knew you needed. Breathe in the sweet aroma of essential oils using two diffusion modes and set a mood with 10 different lighting options. Even if you already have a favorite diffuser, the exclusive Sweet Aroma was custom designed to be ideal for homes, offices, bathrooms, or anywhere you'd like a space-efficient and affordable option for diffusing essential oils.

- Custom designed and exclusively offered by Young Living
- Two diffusion modes that last up to eight hours
- Ten lighting options that can run independently of diffusion
- Soothing cloud blue color is one of the most popular interior paint colors

EXPERIENCE

Infuse your living space with the pure fragrance of essential oils using Young Living's exclusive Sweet Aroma Diffuser. Featuring a natural basket weave design, two diffusion modes, and 10 light settings, this petite, price-conscious diffuser packs a big punch.

PRODUCT BACKGROUND

The Sweet Aroma Diffuser was custom designed and developed to offer an exclusive, high-quality Young Living home diffuser at a value price. Using cutting-edge ultrasonic diffusion technology, the Sweet Aroma maintains long run times with a smaller water reservoir, while providing multiple diffusion and lighting options. Its timeless basket weave design was inspired by traditional textile patterns, and the subtle textural details and soft cloud blue color create a natural, calming visual effect.

BENEFITS & FEATURES

- Diffuses your favorite essential oils, allowing you to create a customized aroma and lighting experience
- Provides a far-reaching mist with a minimal footprint
- Offers two diffusion modes:
 - High mode runs for approximately four hours
 - Intermittent mode runs for approximately eight hours—one minute on, one minute off
- Includes 10 different LED light options, including a color-cycle mode, emitted from a subtle 360-degree band
 - Light settings can be turned off or on independent of diffuser function
- Available in a soothing cloud blue color, currently one of the most popular interior paint colors
- Includes a complimentary 5 ml Lemon essential oil

SWEET AROMA™ DIFFUSER

SUGGESTED USE

- Add 5-8 drops of your favorite essential oil and diffuse to create an energizing or relaxing atmosphere.
- Use in areas like the bathroom or bedroom to neutralize odors and freshen up your space.
- Place in areas with limited counter space such as an office desk, end table, bathroom, or kitchen counter.
- Set the mood by selecting your favorite colored LED light option for your light therapy and aromatherapy.

CAUTIONS

For safety and care information, refer to the Sweet Aroma Diffuser Operation Manual.

- Room Coverage: 100 sq. ft.

FREQUENTLY ASKED QUESTIONS

Q. What type of material is used for the Sweet Aroma Diffuser?

A. The diffuser is made of polypropylene (PP) plastic and is safe for use with essential oils.

Q. How many LED light color options are there, and do they change color?

A. The Sweet Aroma Diffuser offers 10 individual light settings with multiple colors. The lights can also run independently from diffuser modes or be turned off while diffusing.

Q. How much water does the Sweet Aroma Diffuser hold? How long will it run before needing to be refilled?

A. The diffuser holds approximately 134 ml of water, which is a little less than ½ cup. High mode will run continuously for approximately four hours, and intermittent mode will run for approximately eight hours—one minute on, one minute off.
