

Product Summary

Enjoy eating your fruits and vegetables as nature intended with Young Living's Fruit & Veggie Combo Pack. Bundled together, our Fruit & Veggie Spray and Fruit & Veggie Soak utilize naturally derived ingredients and the cleansing power of Thieves® essential oil blend to effectively wash produce at home or when on the go.

Thieves Fruit & Veggie Spray is great for single-use servings or when you are away from home. The convenient 2-oz. spray bottle fits in a purse, backpack, or carry-on, making it easily accessible. With just a few spritzes, you can quickly and efficiently clean fruits and vegetables no matter where you are.

Thieves Fruit & Veggie Soak is a perfect choice when cleaning larger amounts of produce. With the help of DiGize™, Purification®, and Thieves essential oil blends, you can prepare produce for a wonderful meal or a healthy snack.

Primary Benefits

- Cleans fruits and vegetables without affecting taste.
- Great for both conventional and organically grown produce.

Who Should Use Thieves Fruit & Veggie Soak?

- Young Living consumers and their families

Suggested Use

Thieves Fruit & Veggie Spray: Spray to cover produce. Rub for 30 seconds. Rinse with water.

Thieves Fruit & Veggie Soak: Use 1 fl. oz. (2 Tbsp.) for every gallon of water. Completely cover produce and soak for 1–2 minutes. Rinse with clean water.

Cautions

- Keep out of reach of children
- For external use only
- Avoid contact with eyes

Complementary Products

- Thieves essential oil blend
- Lime essential oil

Did You Know?

- Thieves Fruit & Veggie Soak is highly concentrated for long-lasting product use.
- According to the Environmental Working Group (an organization of scientists, researchers, and policymakers), the most contaminated fruits and vegetables are peaches, strawberries, pears, lettuce, apples, cherries, bell peppers, spinach, nectarines, imported grapes, celery, and potatoes.
