## EXPERIENCE

Formulated with naturally derived ingredients, Thieves Household Cleaner lets you harness the power and incredible spicy-sweet scent of Thieves essential oil blend in your home cleaning. No harsh chemicals means no harsh chemical smell.

## PRODUCT BACKGROUND

Our Thieves Household Cleaner is a naturally derived, plant-based cleaner powered by pure, therapeutic-grade essential oils to replace harsh chemicals in your home.

This natural cleaning solution features our Thieves essential oil blend, inspired by the legend of four 15th-century French thieves who formulated and wore a special aromatic combination of clove, rosemary, and other botanicals that they believed provided protection while they were stealing. French authorities recognized that there was such value in this mixture that upon the thieves' capture, they received a more merciful punishment on condition that they divulge the ingredients in their secret formula.

Crafted in the spirit of that legendary combination, Young Living's one-of-a-kind Thieves blend can be found in all of our Thieves products. Featuring the powerful essential oils Lemon, Clove, Cinnamon Bark, Eucalyptus Radiata, and Rosemary, Thieves imparts a spicy, welcoming aroma everywhere it's used.

## FREQUENTLY ASKED QUESTIONS

**Q. Are there types of surfaces I should not use Thieves Household Cleaner on?**

A. Thieves Household Cleaner is very versatile and safe to use on most non-porous surfaces when diluted appropriately. This includes stainless steel, tile, glass, varnished wood surfaces, and more! Surfaces like granite and marble are not always non-porous and should be tested in an inconspicuous area first. We recommend not using Thieves Household Cleaner on vinyl or very soft plastic.

**Q. Is Thieves Household Cleaner safe for use around animals?**

A. Thieves Household Cleaner is great to use around the whole family, including pets and children.

**Q. When I mix cleaning solutions using Thieves Household Cleaner and water, do I need to use the whole cleaning solution the same day, or can I leave it in a spray bottle for a few days?**

A. Cleaning solutions with Thieves Household Cleaner and water are fine to leave in HDPE or PET plastic or glass spray bottles for several days.

**Q. Is Thieves Household Cleaner okay to use with a septic system?**

A. Thieves Household Cleaner shouldn't cause any problems with septic systems when used according to the label directions.
