

PRODUCT SUMMARY

Formulated with the enticing aroma of Young Living's Thieves® essential oil blend, Thieves Household Cleaner is a concentrated, versatile solution that gives you a deep clean when scrubbing, degreasing, spot cleaning, dusting, and more—all without harsh chemicals. With its spicy-sweet aroma and plant-based formula, Thieves Household Cleaner is great to use around everyone in your family, including pets. Create a clean, welcoming space with the fresh, inviting scent and sparkling clean of Thieves Household Cleaner.

KEY INGREDIENTS

- Non-ionic surfactants (Alkyl polyglucoside)
- Anionic surfactants (Sodium methyl-2 sulfolaurate, Disodium 2-sulfolaurate)
- Thieves essential oil blend

EXPERIENCE

With so many uses, Thieves Household Cleaner is the only tool you need for cleaning virtually all of your home's surfaces. This ultra-concentrated, versatile formula provides a powerful clean without harmful, abrasive chemicals.

PRODUCT BACKGROUND

Replace the harsh chemicals in your home with Young Living's trusted Thieves Household Cleaner. Formulated with all the power of nature and infused with pure, authentic Young Living essential oils, this versatile solution is created with naturally occurring surfactants derived from coconut and sugars and can be used on virtually any surface in your home. With this ultra-concentrated, economical formula, all you need to create an entire bottle's worth of effective cleaner is a single capful and water. With simple, plant-based ingredients that leave behind no chemical residue, and a warm, spicy aroma like no other, Thieves Household Cleaner empowers you to thrive in a new and inspired toxic-free lifestyle.

BENEFITS & FEATURES

- Ultra-concentrated, versatile formula
- Suited for virtually every surface in your home, including carpets, floors, counters, glass, walls, and more
- Effective, deep clean without the harsh or dangerous chemicals found in many traditional cleaning products
- Plant-based formula
- No harsh chemical smell
- Non-abrasive solution that rinses clean and leaves no residue
- Safe for septic systems

THIEVES® HOUSEHOLD CLEANER

DIRECTIONS

Dilution ratios

- Most cleaning applications: 1 capful of Thieves Household Cleaner and 2 cups of water
- Heavy degreasing: 1-2 capfuls of Thieves Household Cleaner and 1 cup of water
- Light degreasing: 1 capful of Thieves Household Cleaner and 4 cups of water
- Glass: 1 capful of Thieves Household Cleaner, 3 cups of water, 1 teaspoon of white vinegar, and 10-15 drops of citrus essential oil

When first cleaning plastics, fabrics, or finished surfaces such as wood, perform a spot test on an inconspicuous area. Should staining occur, discontinue use immediately. Keep out of reach of children. Avoid contact with eyes. Keep in a cool, dark place.

†100% pure, therapeutic-grade essential oil

FREQUENTLY ASKED QUESTIONS

Q. Are there types of surfaces on which I should not use Thieves Household Cleaner?

A. Thieves Household Cleaner is very versatile and safe to use on most non-porous surfaces when diluted appropriately. This includes stainless steel, tile, glass, varnished wood surfaces, and more. Surfaces like granite and marble are not always non-porous and should be tested in an inconspicuous area first. We recommend not using Thieves Household cleaner on vinyl or very soft plastic.

Q. Is Thieves Household Cleaner safe for use around animals?

A. Thieves Household Cleaner is great to use around the whole family, including pets and children.

Q. When I mix cleaning solutions using Thieves Household Cleaner and water, do I need to use the whole cleaning solution the same day, or can I leave it in a spray bottle for a few days?

A. A solution of Thieves Household Cleaner and water will be fine to leave for several days in glass spray bottles and HDPE or PET plastic spray bottles.

Q. Is Thieves Household Cleaner okay to use with a septic system?

A. Thieves Household Cleaner should not cause any problems with septic systems when used according to the label directions.
