

Product Summary

With a plant-based formula, Thieves® Laundry Soap gently and naturally washes your clothes, leaving them truly clean without any chemical or synthetic residue. Natural enzymes and powerful essential oils add to the formula's strength, leaving your clothes fresh and clean with a light citrus scent.

Thieves Laundry Soap can be used in all washers, including high-efficiency, and its highly concentrated formula will handle approximately 64 loads with just 32 fluid ounces.

Primary Benefits

- The plant-based formula is free from SLS (sodium lauryl sulfate), dyes, petrochemicals, formaldehyde, phosphates, synthetic perfume, and optical brighteners.
- Formula uses the power of Thieves, Jade Lemon™, and Bergamot essential oils.

Who Should Use Thieves Laundry Soap?

Anyone wanting a naturally derived laundry soap to clean clothes

Suggested Use

Follow the instructions found on the garment's care label. Add clothes. Start machine and add the proper amount of soap for load size.

- Use ½ cap for conventional washers
- Use ¼ cap for high-efficiency washers
- Use more as needed for large or heavily soiled loads

Caution

- Keep out of reach of children
- In case of eye contact, flush thoroughly with water
- If swallowed, drink plenty of water to dilute
- Do not use in automatic dishwashers

Complementary Products

- Thieves Essential Oil Blend

Did You Know?

- Our plant-based formula can be safely poured directly onto clothes.
- Many detergents add optical brighteners to make clothes appear brighter, which has nothing to do with cleaning clothes. Clothes only appear whiter and brighter because these additives reflect blue light, giving the illusion that your clothes are less yellow. These optical brighteners remain in the clothes and are against the skin when worn.
