PRODUCT BACKGROUND

The proprietary blend used in Thieves Vitality was inspired by the legend of four 15th-century French thieves who formulated and wore a special aromatic combination of clove, rosemary, vinegar, and other botanicals. French authorities recognized that there was such value in this mixture that upon the thieves' capture, they received a more merciful punishment on condition that they divulge the ingredients in their secret formula.

Combining Clove, Cinnamon, Lemon, Eucalyptus, and Rosemary essential oils, Thieves Vitality is one of our most popular products.
