

Product Summary

Combining naturally derived, plant-based ingredients, Thieves[®] Household Cleaner provides exceptional home cleaning power. This multipurpose solution can be used for virtually any surface in your home or office and is safe to use around every member of your family, including children and pets.

Why We Love It

A clean home smells as clean as it looks—which is why Young Living's Thieves Household Cleaner not only gets the job done but smells amazing doing it! This concentrated formula works hard at spot-cleaning carpet, degreasing kitchen surfaces, and everything in between. Plus, the addition of Thieves and Lemon essential oils makes it smell more like fall baking than harsh chemicals.

- Thieves Household Cleaner is formulated with naturally derived ingredients. No harsh chemicals means there's no harsh chemical smell!
- Thieves Household Cleaner lets you harness the power and incredible spicy-sweet scent of Thieves essential oil blend in your home cleaning.
- Thieves Household Cleaner is a powerful, versatile formula. Add just 1 capful to 2–3 cups of water for an all-purpose cleaner, 1 capful to 1 cup for a heavy degreaser, or enough to baking soda to form a thick paste for a naturally derived scrubbing solution.

Fun Facts

Thieves essential oil blend was inspired by a medieval legend of four thieves who used a special aromatic blend of clove, rosemary, and other botanicals while robbing the dead and dying. In the spirit of this legend, our Thieves line of products offers safe alternatives to harsh chemicals and cleaners with formulas that work hard and smell amazing.
