#### MultiGreens capsules, 120 ct.

In a season when your body may need an extra boost, keep going strong with MultiGreens capsules. You can support your overall health with this combination of invigorating greens such as spirulina, alfalfa sprouts, barley grass, eleuthero, Pacific kelp, and much more.

#### Clove essential oil, 15 ml

After a day of baking fall goodies in the kitchen, the last thing you want to do is clean up. But with Clove essential oil at your side, scraping off that extra dough from the counters is easier than ever. With a few extra drops added to your spray bottle of our well-loved Thieves® Household Cleaner, Clove helps gently lift dirt and grime while leaving behind a spicy, refreshing scent.

#### Copaiba essential oil, 5 ml

With its calming, earthy aroma, Copaiba essential oil captures the stillness you find in nature. When used topically, it can also help with the appearance of youthful skin, carrying on that summer glow into the colder autumn months. Massage it into fatigued muscles after activity or try diffusing Copaiba to create an at-home spa experience.

#### Cinnamon Bark essential oil, 5 ml

A warm, spicy, instantly recognizable aroma, Cinnamon Bark essential oil does more than simply smell good. This invigorating oil cleanses the air and creates a warming sensation when placed on the skin—just be sure to dilute before massaging it into your feet when you're treating yourself to a spa night.

#### Pine essential oil, 5 ml

A fresh, woody aroma, Pine essential oil captures the essence of the forest to help you stay grounded as the seasons change. Diffuse it during meditation to bring yourself back to a calm, natural state or add a few diluted drops to your skin before venturing into the woods to enjoy your hike annoyance free.

#### Nutmeg essential oil, 5 ml

As the weather cools down, Nutmeg is here to bring you comfort and keep you cozy when the summer leaves turn to crisp autumn colors. A warm and spicy scent, Nutmeg's aroma energizes and uplifts, creating a refreshing breathing experience when applied topically—just remember to dilute!
