PRODUCT BACKGROUND

Valor is one of the original blends formulated by Founder D. Gary Young, and the roll-on makes it easy to take this member favorite on the go! Each essential oil in the blend was carefully selected for its unique aromatic and topical benefits: Frankincense for its uplifting, earthy aroma and skin-smoothing properties; Black Spruce for its grounding, woody fragrance; Blue Tansy for its inspiring aromatic profile; Geranium for its sweet, floral aroma; and Camphor Wood for its skin-benefiting properties and strong, herbaceous scent.

This powerful, synergistic blend with a transformative aroma has contributed to its legacy in Young Living's proprietary Raindrop Technique®. Emulate the relaxation of the Raindrop Technique when you're out and about by using your Valor Roll-On!
