

PRODUCT SUMMARY

Lovely, bright, and herbaceous—that's merely the start of the list of compliments you'll give to this beautifully handcrafted green tea from Young Living. As soon as you open the box, you'll be met with a lively bouquet of vanilla and citrus.

Perfect for post-meditation or an afternoon pick-me-up, Vanilla Lemongrass Green Tea opens with a surprising introduction of sweetly herbaceous flavors. These notes subtly melt into a brighter taste of lemongrass before finishing with an earthy hint of licorice. Carefully crafted with natural citrus notes that ebb into a softly sweet buttery finish, Vanilla Lemongrass Green Tea is elevated by Orange Vitality™ essential oil.

KEY INGREDIENTS

- Organic Chun Mee green tea and Clouds and Mist green tea
- Organic herbs and roots such as lemongrass, licorice, lemon, and organic vanilla flavor

EXPERIENCE

Lovely and bright, this blend of traditional Chinese green teas is perfect for an afternoon boost. Herbaceously sweet with defined notes of lemongrass, this tea will refresh the mind and motivate your body and soul!

PRODUCT BACKGROUND

Beautifully balanced with a playful citrus zing, Vanilla Lemongrass Green Tea is a lovely balance of Clouds and Mist and Chun Mee green teas. Harvested in the Zhejiang Province in China, Clouds and Mist green tea has an earthy taste with a hint of smoky citrus and a buttery finish. Harvested in the spring from tender tea buds, this celebrated plant—known as “green gold”—is one of China's imperial tribute teas. Chun Mee leaves are a classic, traditional tea beloved by many people in China. The Chun Mee leaves used in Vanilla Lemongrass Green Tea are harvested in the Huangshan Mountain area and are hand-rolled by the people of the Jiangxi, Zhejiang, and Anhui provinces.

INGREDIENTS

Organic Chun Mee green tea, Organic clouds and mist green tea, Organic lemongrass, Organic licorice root, Natural lemon flavor, Organic vanilla flavor

FREQUENTLY ASKED QUESTIONS

Q. Can Vanilla Lemongrass Green Tea also be served as iced tea?

A. Yes! Vanilla Lemongrass Green Tea offers the same benefits, whether served as a hot, comforting drink or cold, refreshing beverage.

Q. How much caffeine is in Vanilla Lemongrass Green Tea?

A. Vanilla Lemongrass Green Tea contains only about a third of the amount of caffeine found in a single serving of coffee —just enough to give you a light boost.
