JADE LEMON BERRY

1.62 fl. oz.

Item No. 36247

Soak up the good vibes with YL's exclusive Vitality Drops +Energy powered by Guarana Vida™! Up your daily water intake by adding some flavor to your hydration with this refreshing, flavorful, easy-to-use, on-the-go, sugar-free water enhancer. With 20 mg of naturally derived, plant-based caffeine per serving, these drops give you a natural, crash-free pick-me-up throughout the day to encourage you to drink more and stay hydrated. Of course, not all caffeine is created equal, which is why Young Living's exclusive naturally sourced caffeine blend is made from Brazilian guarana seed extract and green tea and is free of synthetics. A unique feature of guarana seeds is that they contain molecules called tannins, which can cause caffeine to release slowly, for a natural, longer-lasting effect with an optimal level of caffeine, so you can enjoy it multiple times a day knowing this product comes from Mother Nature herself.

The Jade Lemon Berry + Energy drops feature Young Living's pure Vitality™ essential oils. This flavor features a delectable, bright Jade Lemon Vitality™ flavor, as well as the complex, fruity profile of blackcurrants. Young Living's Vitality Drops +Energy are naturally derived and free of sucralose, aspartame, and artificial colors. With naturally derived ingredients, sugar-free flavoring, and a convenient container, these drops are an absolute must-have for your hydration goals.

KEY INGREDIENTS

- **Guarana Vida™:** Young Living's exclusive natural caffeine blend made from Brazilian guarana seed extract and caffeine from green tea.
- **Jade Lemon Vitality™ essential oil:** Jade lemon originates from the Mediterranean island of Corsica and is sourced from our Taiwan Cooperative Farm and Distillery. This pure essential oil adds to the refreshing flavor profile.
- **Blackcurrant berry:** The blackcurrant berry originates from France and, when paired with Jade Lemon Vitality pure essential oil, creates a bright, juicy flavor combination.

YL Vitality Drops +Energy

JADE LEMON BERRY

PRODUCT BACKGROUND

Guarana is a shrub native to Brazil and other regions of the Amazon. While its seeds are about the size of coffee beans, they actually contain more than twice as much caffeine. Guarana has been traditionally consumed by indigenous communities of the Amazon region for centuries. The guarana extract is produced from seeds that are harvested from small farms in Brazil, which helps provide an additional source of income to these families. When the guarana seed extract is paired with naturally sourced caffeine from green tea, it creates Young Living's exclusive powerhouse Guarana Vida™ caffeine blend giving you clean caffeine backed by nature.

DIRECTIONS

Shake well before use. Add one squeeze to 8 ounces of cold water. If desired, add more according to taste preference. Do not drink directly from the bottle.

CAUTIONS

Keep out of reach of children. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use.
