Foaming Hand Soap

WINTER NIGHTS

PRODUCT BACKGROUND

Make the brisk winter air come alive with the scent of Winter Nights Foaming Hand Soap, which is designed specifically for the winter season! Young Living's Signature Scent Winter Nights features Northern Lights Black Spruce essential oil, which is produced exclusively at our farm in British Columbia, Canada. Since 2014 this farm's pristine soil nurtures the botanicals from which one of Young Living's most beloved essential oils are made. Enjoy the cooling aromas of Black Spruce and Peppermint, while our plant-based formula cleans your hands without over-drying. Aloe and ginkgo biloba botanicals moisturize your skin, making it feel softer, which is especially important during the driest of seasons. Enjoy the crisp, cool scent of Winter Nights Foaming Hand Soap.

DIRECTIONS

Pump foam onto hands, lather, and rinse thoroughly.
