

# Cool Azul

## Sports Gel

Product size: 100ml Item No. 543638

Cool Azul Sports Gel features Young Living's premium Cool Azul essential oil blend—crafted by Young Living Founder D. Gary Young—that instantly creates a cooling sensation. The aloe-based formula has a smooth consistency for easy application that won't leave you feeling sticky. With alternating warming and cooling sensations, an invigorating yet calming aroma, and moisturizing botanicals, Cool Azul Sports Gel is the perfect companion to have on hand for any physical activity at home or on the go.

 Topical

 Aromatic

### SUGGESTED USES

A great companion to have on hand for any physical activity at home or at the gym.

Great to apply on overworked muscles and body during and following physical activity for a fresh, cooling.

Great when combined with massage after exercise to cool and soothe tired muscles
