Calming bath bombs

Product size: 316g Item No. 30195

Lavender Calming Bath Bombs are the perfect way to decompress and unwind at the end of the day. As the bathwater fizzes, the fresh and floral aroma of Young Living's premium Lavender essential oil calms your senses, while moisturizing ingredients such as coconut and sweet almond oil pamper your skin. Made with plant-based ingredients—and no parabens, petrochemicals, synthetic colors, synthetic fragrances, or animal-derived ingredients—these natural bath bombs are the perfect addition to a relaxing at-home spa night.
