

PRODUCT SUMMARY

MightyPro is a unique, synergistic blend of prebiotics and probiotics in a supplement specially formulated for children. Packaged in easy, one-dose packets that can be taken almost anywhere you go, this supplement features over 8 billion active, live cultures to support digestive and immune health.

Featuring a great-tasting formula that can be added to cold food and drinks for easy consumption. MightyPro supports gastrointestinal and immune health and maintains gut health in children, keeping kids up and active. That means fewer missed days of school, day care, and playing with friends.

EXPERIENCE

MightyPro's Wolfberry Punch flavor provides a sweet and tasty experience, whether added to food or drink or directly dissolved in the mouth. Packaged in a convenient, single-serve sachet to ensure the freshness and efficacy.

FORMULATED WITH

MightyPro is formulated with Ningxia wolfberry fiber, a naturally occurring prebiotic. The wolfberry fiber passes through the gut and promotes healthy bacteria in the colon, helping make the most of the probiotic complex.

PRODUCT BACKGROUND

The appearance of healthy gut microflora has widespread and long-lasting consequences on your child's well-being. MightyPro features the goodness of Young Living's own Ningxia wolfberries and is formulated to support beneficial bacteria in the gut. MightyPro single-serve sachets are a convenient choice for the whole family, with a formula that promotes not only digestive health but also general health in both children and adults.

IMPORTANT

If you are on chronic medication or diagnosed with a chronic condition, contact your healthcare practitioner before taking any supplement. Discontinue use immediately if any adverse reactions occur and contact your healthcare practitioner. Use as directed or as otherwise prescribed by a healthcare practitioner. If pregnant or lactating, or have a medical condition, consult your healthcare practitioner before taking this or any other supplement.
