EXPERIENCE

Thieves Bar Soap offers the warm, spicy aroma and benefits of our Thieves essential oil blend as it cleanses. This bar also lightly exfoliates with oat bran, leaving skin soft, smooth, and refreshed.

PRODUCT BACKGROUND

Thieves Bar Soap is formulated with only the highest quality, plant-based ingredients and infused with pure essential oils. The exclusive Thieves essential oil blend found in our Thieves Bar Soap is inspired by the legend of four 15th-century French thieves who formulated and wore a special aromatic combination of clove, rosemary, and other botanicals that they believed provided protection while they were stealing. French authorities recognized that there was such value in this mixture that upon the thieves' capture, they received a more merciful punishment on condition that they divulge the ingredients in their secret formula.

Crafted in the spirit of that legendary combination, Young Living's one-of-a-kind Thieves blend can be found in all of our Thieves products. Featuring the powerful essential oils Lemon, Clove, Cinnamon Bark, Eucalyptus Radiata, and Rosemary, Thieves imparts a spicy, welcoming aroma everywhere it's used.

FREQUENTLY ASKED QUESTIONS

Q. What makes a good bar of soap?

A. A good bar of soap has a rich lather, moisturizing ingredients, firmness, and effective cleansing ability. Q. Is Thieves Bar Soap French milled or hard milled?

A. It is French milled, which means that the soap base is run through stainless steel rollers, along with hot and cold water.

Q. Is Thieves Bar Soap okay to use to wash my face?

Q. Is Thieves Bar Soap safe for children to use?

A. Thieves Bar Soap can be enjoyed by the whole family, although you may want to check with a pediatrician before using it on infants' tender skin.
