What is Young Living DARE 2026?

Young Living DARE 2026 is sponsored by Young Living Indonesia. It's an official leadership incentive program designed to recognize Brand Partners who build with purpose and lead with integrity. Young Living DARE 2026 challenges leaders to grow personally, strengthen their organizations, and develop others while staying rooted in Young Living's core values.

The qualification period runs from
January 1, 2026 to April 30, 2026,
based on Young Living's official timekeeping.

Eligible participants who achieve all program criteria
by the end of the qualification period will win the trip to Ningxia and Beijing.

More Than a Challenge

DARE 2026 was created for intentional leaders who don't just enroll but activate their enrollments; who don't just grow volume but grow people. Throughout this journey, participants are encouraged to build healthy enrollment habits, duplicate the right behaviors, cultivate consistent NingXia Red consumption, and lead teams with clarity and accountability - because real success is built the right way!
